REACH, SVHC AND CLP CONFIRMATION

according to our current knowledge, we confirm, that our delivered products are compliant with the REACH regulation (EC Regulation 1907/2006).

All the ingredients in our product range which must be registered under REACH have been pre-registered or registered either by our suppliers or their suppliers.

We hereby confirm that all our products do not contain any Substances of Very High Concern included on the candidate list * (updated on: 20/06/2016).

* <http://echa.europa.eu/de/candidate-list-table>

We also confirm that we are aware of the requirements of the Regulation (EC) No 1272/2008 on classification, labelling and packaging of substances and mixtures. This includes notification of relevant substances to the Classification and Labelling Inventory as provided in Article 39 et seq. of the CLP regulation. We classify, label and notify all our products in accordance with the provisions and deadlines of the CLP regulation.

If you have any further questions, please do not hesitate to contact us.

Best regards
